Classy Cunnies

Dear Virgin Territory,

Nancy's softcore pictorial in the June '11 issue reminds of the nude sets I used to see when I was 19 (way back in the late 70s). That is, pictorials in which the model's beauty and sensuality were showcased with just the right amount of teasing and without the use of toys or other objects being inserted inside themselves. (Toy play was seldom seen then.) Despite the one mild finger shot of Nancy (which I could have done without), I found this pictorial of Nancy to be refreshing in that the photographer highlighted her innocent and girlish sexiness without having to rely on overly graphic or perhaps somewhat vulgar poses. I appreciate his/her effort in photographing Nancy in an "oldschool" style of poses that is becoming increasingly uncommonly in today's erotic arts.-S.F.B., via email

Dear S.F.B.,

Toy and finger insertion is a constant

topic of debate in 18eighteen. Thanks for letting us know your opinion.

#### Vicky's Virginal Vag

Dear Virgin Territory,

to her nude

pictorial.

I would love to stick my cock into Vicky's virginal love slot. When I saw her on the cover of the Holiday '11 issue my dick started to harden and drip immediately. I couldn't wait to get home to see what she looks like naked. She was just as sexy as I anticipated. Her tits are lovely and perky. I'd love to squeeze and suck on them. Her pussy looks so tight and delicious too. Whoever gets to be the first guy to stick his dick in that tight little slit is so fucking lucky. Vicky is a total babe.

She doesn't even need any makeup to be hot. I hope one day she decides to do XXX.-W.R., Seattle, Washington

18eighteen

Dear W.R.,

There's more of Vicky to come, so keep an eye out for her.

#### **Hot Babes**

Dear Virgin Territory,

Thank you for publishing my letter in the July '11 issue of you superb magazine on pages five and six, and thank you for the photos of Jessica. The July '11 issue was really good. I liked Lizzie, Marry and Maxi, and it was nice to see

girls in the mag with

### ESSICA'S PANTY WIN

Back in the Oct. '11 issue we ran a panty giveaway for Jessica's sweet undies. We're happy to tell you that we've picked a winner! It's L.B. from Westbrook, Connecticut. Here's an excerpt from his letter:

"What would I do with Jessica's panties? As soon as I got my hands on them my nose, tongue and face would be in them. As great as it is jacking off while seeing Jessica's layout, I imagine how totally awesome it would feel if I could use other senses as well. Smell and taste to be more specific. To put it another way, if I win Jessica's panties, I would have: Juicy Excrements She Secreted I Could Actually Smell Pussy Aromas Next Taste Its Exquisite Sweetness."

See what that spells? Very clever. Hope you enjoy the panties, L.B.!

big tits for a change. And from the Aug. '11 issue I really liked Katie, Amai, Aubrey and Satin. Can we please see Satin in a hardcore set? From the Sept. '11 issue I really

liked Aspen. She is fucking hot. I also

liked Kyleigh, Mimi, tiffany, Maxi and Monica. The hardcore is also very hot. The best cum shots were Maxi first, Monica second, Amai third and Katie fourth. Can we see more girls in the mags like Hydie from the Holiday '08 issue and Mimi of Oct. '08 and Sept. '11. And can we please see more Chinese girls in the mag like Koko Li (Sept. '06), Kelly (Sept. '08) and Lystra (Jan. '07). Thank you for a top class maga-

zine.-J.M., Falkirk, Scotland, UK

Dear J.M.

Unfortunately we don't have any photos of Satin doing hardcore, although she looks like a total cock-slut! If you are interested in Hispanic girls like Mimi, check out Bella's pictorial on page 36.

#### Flattie Lust

Dear Virgin Territory,

Elizabeth from the Holiday '11 issue turns me on so much. Normally I'm not really that into girls who are super flat, but there's something about her. She looks young and innocent but frisky and playful at the same time, like a petite, little sex bomb. Thank you for the big photo of her spreading her asscheeks. Those are my favorite kinds of shots. I love how happy she looks to be showing us her asshole. If we're lucky enough, maybe

we will see that asshole filled with cock!-J.J., Portland, Maine

Dear J.J.,

Hopefully you didn't miss the March '12 issue, because while Elizabeth didn't get a cock up her ass, she did get a thermometer up her butt in a very hot school clinic hardcore pictorial!

#### Megan In the Leaves

Dear Virgin Territory,

I loved the pictorial of Megan in the Holiday '11 issue. Seeing her outside in the leaves was a nice change of pace from the usual bedroom setting that your models are in. I could just imagine looking out my window now that it's fall and seeing some young, cute thing playing in the leaves. And I know this might sound weird, but I liked the fact that she was wearing a crucifix necklace. I imagined her as a young Catholic girl rebelling against her strict, religious upbringing by posing nude. If only you could show her in a plaid skirt!-P.W., via email

#### Up and Down Year

Dear Virgin Territory,

I just received my Holiday '11 issue of 18eighteen, the last issue of 2011 and my last issue before my subscription ends, and I must say that, overall, it was a slight disappointment ending a rollercoaster year for 18eighteen. Only four of the teens sent my dick into a frizzy. The first was Audrinna. Her tits are just right: definitely not flat but not disgustingly huge either (like Laylah). I enjoyed the shot of her asshole on page 15, although closer would have been even nicer. The cum shot on page 17 was pretty bad and not that close either. The next teen sex kitten was Liza. Her smile is amazing, but her pussy on page 44 is even better. I kind of like girls with pussies that are innies. I'd give anything to tongue-bathe it and taste her sweet nectar. The center spread of her now has my dick aching.

The third hottest girl was Lena and her hardcore shots are amazing, not one bad pic. Lena's smile could melt the polar ice caps. Her tits are perfect, and her pussy is so hot and looks so tasty. I also loved seeing her take a finger in her ass and her asshole looked gorgeous, too, on page 59. Hopefully we'll see her take a cock up her ass soon. Lena also looks like she'd win a cock-sucking championship. The cum shot on her face on page 61 is much better. The last teen slutbag in the Holiday '11 issue was Paige. Again, great tits, a great cock-sucker and the ultimate finish, a creampie (although this particular one was pretty bad)!

Well, 18eighteen, 2011 has come to an end. This was an up and down year for you. There were definitely issues that were absolute nut-busters and then issues that were the absolute opposite. You entered the year with a bang and exit it with a dud. I'm still deciding whether or not to renew my subscription. Please tell me what you have in store for us readers in 2012.—M.F., Harrisburg, Pennsylvania

Dear M.F.,

If you turn to page 12 you will see that we have a new DVD dedicated entirely to creampies. That should be right up your ally. And although we are already in the April issue of 2012, we can promise that Continued on page 18

#### **Back to School Rules**

Dear Virgin Territory,

As a long time subscriber of *18eighteen* I just want to commend you on another excellent Back To School issue. It is my favorite, and I consider it to be a grand annual tradition.

This year's issue contained some of the sexiest, most beautiful barely legal girls that I have ever seen. Of these girls, five stand out:

Samantha–How I would liked to have spent time in detention with that hot Latina cutie. Jesse–Beautiful, sexy and curvy. Louisa–Another hot, curvy young woman. Jennifer is living proof that you can be both nerdy and sexy at the same time. Jessica–Man, I should have entered that contest to win those undies of hers.

These top five girls plus the other fine girls in this issue are all winners to me. It makes me wish I was back in high school or college all over again.

The 18eighteen Back To School special: A great and grand tradition that adds a touch of class to any barely legal magazine.—W.K., via email

Dear W.K.,

Glad you liked the issue. Thanks for writing in!

# Why is that your favorite thing to fantasize about?

"Because it feels so good! Up until that point you're really wanting to have sex. Sometimes my pussy will like, throb because it wants a cock inside of it so bad. And the more you want it, the better it feels. Also, that first stroke is when you're the tightest. So when a guy first puts it in I can really feel it, and he has to go slow so my pussy can stretch around his cock. When a guy first puts it in...it's like the moment of truth or something! Kind of like a first kiss, but instead of two mouths it's a dick and a pussy. It's the greatest feeling ever."

#### By Joe Monks Illustration by Otis Sweat

ikki let her breath out slowly, shoulders shud-Udering. She was already aroused. A tinny ding! alerted her to an incoming message.

"You've got cute feet," it read. "Size 7?"

Nikki swallowed, and spoke in a shaky voice despite her efforts to remain cool. Her fancy speechto-text app fired her response into cyberspace.

"Six."

"<<whistle>> Small...but sexy."

She didn't bother replying. Instead, she flattened her knees against the mat, folding them into a slim diamond shape like a yoga student. Her diminutive soles were pressed together, the webcam lens pointed at her bare pussy.

"C'mon," urged her cyber partner. "You can do it. Just a little more."

"But it's huge!" Nikki exclaimed, the mic attached to the keyboard spitting her words out on a screen somewhere across town.

"It's not \*that\* huge," he typed back. "Not nearly as big as the one you used for that salad on YouTube yesterday. I think you can handle it."

Maybe, she thought, but the cucumber she'd sliced to decorate her signature garden salad hadn't been stuffed up her box. The one she'd been planning to use in tomorrow's vlog, however, was packed snug in her twat, and felt quite large indeed.

Not just large, either. Knobby. When he'd suggested she use it for their daily cybersex session, she hadn't given it much thought. But now, with a good six inches of it crammed into her cunny, every lumpy protrusion made her gasp. She gave the veggie a little twist, trying to fit more of it in. Her back arched. She was so wet. Her snatch squelched like a sponge that had just been wrung out.

Nikki, though, was far from wrung out, even though she'd already had two orgasms. She had always been proud of her stamina when it came to cumming. The girl could go all night. And any second now, she was going to lube the exercise mat with another discharge of warm, teenage girl-creme. Her bedroom smelled like she'd just hosted an orgy. An all-girl orgy, complete with extra horny gushers and squirters. She enjoyed the aroma.

"Your turn," she said. "I'm getting close again."

His cock filled her screen, larger than life and looking harder than granite. He'd greased up, maybe with baby oil. His hand and dick were as slick as they were shiny. His mushroom tip was practically sparkling from whatever lube he had used.

"I see you've been marinating," Nikki said, chuckling. Shame, she thought. The computer program couldn't translate her giggle. "Do you have a special brush for lube?"

"Lube?" he shot back, surprised to the point he paused in the midst of jacking off to type his reply. "Of course not. It's a sweet mint oil. You know, what you'd be gagging on if you were here."

Nikki trembled. The cucumber shifted even deep-

er inside of her. It was bottoming out. Her twat clamped down on it, and her climax was rushing headlong at her. T-minus three, two, one...

"Oh, fuck, I'm coming!"

The computer hadn't picked up on the nuance of cumming as opposed to coming, but she knew he wouldn't be confused. He was seeing it all, her small breasts bouncing, her middle clenched tight, her thigh muscles taut as bow-strings, juice flowing from her tight, teen slit.

Spasms wracked her petite, teen frame. The cucumber was expelled from her cunt with enough force to send it

The Saddleback Alehouse looked like most other restaurants, but wasn't. The food they served was extraordinary, and Nikki knew why her mystery man had picked it for their first meeting. She'd been here before, as in invited guest, back when her food blog had first taken off. She'd been back several times since. Despite the rather casual-sounding name, the place was pricey and upscale. And Nikki believed she knew the real reason they were here.

The Saddleback was private. Way private. If you wanted to have a business meeting, like the three-martini crowd did at lunchtime, this was fided. "He made the reservation. It's sort of a blind date."

Karl, genuinely surprised, laughed and nodded knowingly.

"As if a girl like you needed to go on any blind dates!"

Nikki blushed. Karl was older than her dad, but he looked hella good in his starched shirt and the Saddleback jacket. Maybe if things didn't work out with her date tonight....

"There's a man already here," said Karl, interrupting her train of thought before she got too carried away. "He was waiting for a beautiful young lady. I suspect he's the one you're talking about. He's the only one here who isn't a regular."

Karl weaved toward a dimly lit back corner. Nikki felt her tummy do a tumble sault. This was the moment of truth. In a few seconds, she was going to know whether the night would

be a success or a total failure. But on the bright side, he had already done something right. He was sitting at the restaurant's best table, a booth usually reserved for the mayor and state politicians, or the occasional rock band passing through on tour.

Karl stepped aside so she could sit. "I'll have Carson come by to take your order," Karl promised, then disappeared, leaving them alone.

Nikki was pleasantly surprised.

He had a strong face. Clean shaven, square jaw. Young-looking. The smile he flashed made her pussy lips contract. He was a stranger, to be sure, but still, Nikki couldn't shake the feeling she'd seen him before.

"If it isn't Nikki Delicious," he said, using her blogger moniker. "Looking every bit the part."

He looked her up and down, but in a way that was respectful, not creepy. Although his eyes did linger a bit on her taut thighs, slowly tracking down to her sandals.

"I see you painted your nails," he said appreciatively, eyeing her toes. "I'm touched."

She slipped a bit further into the booth, cutting off his view. It wasn't because she was uncomfortable. It was 'cause she'd waited a long time for this, she didn't want to ruin it by having to run to the bathroom to masturbate before the main course.

They ordered their meals. They Continued on page 42

rolling past her keyboard. Cum dribbled out of her.

"Oh my god!" she howled. All the computer could do was forward the text. It should have been in all-caps, she thought, the way her throat hurt from screaming. Thank goodness she was home alone.

"Oh, Nikki," scrolled across the bottom of her screen. He was beating off fast, on the verge himself. Nikki rolled onto her side, still in range of the lens. She flicked her clit with her forefinger. Another wave of pleasure rose inside her.

"That's it, babe," he answered, his one-handed typing not bad, considering. "Here. All for you. All for you."

A stream of white erupted from his cockhead. Nikki gaped at the amount of jizz he produced.

Then, nothing. The screen went blank. Nikki plunged her middle finger into her cunt, shrieking as she got herself off again.

When she finished yet another orgasm, she looked at her laptop. She could just make out her partner, through a hazy curtain of cum.

He'd shot so fucking hard, she realized, that he'd blown his load all over his webcam.

"Wow," she sighed, too soft for her mic to pick up. She really needed to meet this guy.

The sooner, the better.

All she knew about Likes2EatIt was that he was in his early 30s. Well, that, and how amazing his cock looked when he beat his meat for her on camera. They had never seen each other's face when cybering, although Nikki's picture was on her site, so it wasn't like she could surprise him. If he was already seated, he could be staring at her right now.

The thought sent a tingle up her bare legs. Nikki rarely wore skirts to school, but tonight was different. She wanted to wear something that straddled the line between sexy and slutty. The folks at the Saddleback wouldn't mind-so long as she said nice things about their food in her blog, the one her parents had given her five months ago for her 18th birthday. She could come in during power-hour in a halter top and cutoffs that showed ass cheek, and they'd still give her the best table they had. She had a knack for writing witty copy about epicurean delights, and she certainly reaped the benefits of it.

"Nikki!" Karl, the maitre'd greeted her with a hug. "I didn't know you were coming! Why didn't you call?"

# Hey, Alyssa. Do you have someone special to be your Valentine this year?

"I have a couple of special someones in mind. I'm going to wait to see if any of them make the first move, though. If they know what's good for them, they'll shower me with chocolates and roses, because nothing makes my pussy wetter than those things! I even bought some special red lingerie for Valentine's, 'cause one way or another I'm getting laid. The romantic part of Valentine's day is nice and all, but my favorite part of the holiday is the hot sex I get to have!"

lovin' to give to two or three guys. I'd be thrilled if I could have a threesome or foursome with all guys and me as the only girl. I don't think that's going to happen this Valentine's because my potential dates don't seem like they're into that. But it's definitely something I want to try in the future."

#### Are you gonna do anal?

### Hey, Bella. You said you're a kinky girl. Care to explain that?

"It's pretty self explanatory, but I can give you some juicy details. First of all, I'm always horny. I love to fuck. I don't think I will ever turn down sex 'cause I'm always in the mood to cum. I also like to try different things, and that's why I said that I'm kinky. To me, having sex outdoors or in public is tame. But give me some blindfolds, handcuffs and crazy toys and now we're talking! I also love to watch porn when I'm alone and when I'm with someone else. And sometimes I like to go to sex clubs. I have so much fun there!"

talked. They flirted. His name was Dean, although she still hadn't learned what he did for a living by the time their entrees arrived.

"So, cooking school, huh?" he asked. Had she posted that on her blog? She didn't think so. Probably mentioned it in an e-mail. It wasn't like they always talked about cocksucking, 69ing and doggie-style. Well, sometimes they didn't.

"Yeah, but not far," she explained.
"I'm going to dorm, but it's less than two hours away, which isn't bad."

"You'll definitely be the new campus heartbreaker, wearing outfits like that," he commented, nodding as if he was certain of it.

Nikki'd had enough of the light-weight flirting. She took it up a notch, kicking off one sandal and extending her leg, hoping her aim was true. When the pad of her foot came to rest on his crotch, his expression signaled a direct hit.

He stumbled over what he'd been saying, shifting so that her toes could manipulate his zipper. Nikki hadn't been sure she'd go that far, especially here at her favorite restaurant, but the booth was practically invisible to other diners, and the tablecloth would hide it even if they were both masturbating furiously. She decided to go for it.

But still, Nikki wished she had the guts to finger herself right there. She needed to get off so bad she was ready to tell Carson to take away their barely touched plates so they could cash out and go find a room.

Knowing how Dean admired her tiny tootsies, she instead pretended to concentrate on her food, while tugging down his boxers and rubbing his cockflesh beneath the table. Damn, but he was hard!

Dean was pretending, too. Chewing mechanically, ignoring his wine, mis-spearing food with his fork. Good, she thought. It was about time he was the one too turned-on to be comfortable. She liked having that effect on him.

"Can I get you anything?" Carson asked, checking their table. Dean barely acknowledged him.

"No, we're fine," he said. But Nikki had other ideas.

"What's on the dessert menu?" she asked. "Anything with...mint oil?"

Carson shook his head.

"Not that I know of, but I'll check. If it's something new and trendy, you'd probably know better than me! Anything else?"

"Just some more napkins," Nikki said cheerily, before sending him off. Dean stared at her.

"There's no need for mint oil," he said, taking her foot and pressing it to the tip of his penis. His other hand slid across her sole, wrapped around his shaft. He gave it a squeeze. Thick man-syrup oozed between her toes.

Nikki spread the big two apart to accommodate his shaft. She began working it, stroking him, wondering if she could possibly get him off this way—with her feet! the other day when we were..."

He was sneaky about it. Suddenly, half the napkins were gone. Nikki ground her heel into his dong, pressing it against his heavy balls.

Cum streamed through her toes, hot jizz boiling out of him and soaking into the napkins cupped in his hand. He grasped her ankle, thrusting against her sole as if he were fucking it. It tickled, making her toes curl, clamping down on the tip of his dick.

"Mmmmmmn," he sighed. She felt the napkins dragging across her toe-knuckles. A moment later, they were wiping the ball-batter off her gummy sole. It felt as if her foot had been dipped in cock-fondue.

Dean excused himself, heading for the rest room. Nikki slipped her warm, slightly sticky foot back into her sandal and stared at the after dinner mint, disap-

pointed.

"Need an escort?"

She whirled, opening her mouth to cry out. Dean's tongue was in it before she could make a sound, however, his hands fastened to her ass and his bulge pressing into her crotch.

"Mmmmnflorph!" she giggled, returning his kiss with an equally passionate thrust of her tongue. Had he been waiting in the Ladies room this whole time? She was worried about someone walking in on them...but not too worried. She was too horny to care about being thrown out.

Dean backed her into one of the handicapped stalls. The Saddleback rest rooms were all handicappedaccessible, so it wasn't like they were taking the only one.

Carson returned, taking their plates and leaving the dessert menu...and a handful of napkins. Nikki pretended to peruse it. She loved a good number of items. The brownie explosion. The mousse pie. Dark-chocolate dipped strawberries frosted with powdered sugar. But tonight, she wasn't interested. She had other sweets on her mind.

Dean's cock throbbed against her sole. He leaned into it, thrusting insistently against her arch. So much semen had leaked from his prick that she could hear her damp foot sliding up and down his cock. He was close.

"Here you are," said Carson, placing their bill tray on the table. I'll take it when you're—"

Dean practically threw his American Express at him. Carson took it and rushed off.

"Take your time," Dean managed to say pleasantly. "We still need to finish our wine."

He was the only one with a wine glass, but it didn't matter. Nikki whispered conspiratorially.

"You sure I shouldn't have brought some mint oil? You blew some wad

"A few people walked by, and it probably looked a little suspicious but I think we played it off well. We didn't get caught like, red-handed. Although I did get caught having sex another time, but that was kind of the point. I was in the front seat of a truck while my friend was driving it, and I was riding my boyfriend at the time. So many people on the road saw us fucking! A lot of guys honked at us and one guy even flashed us his dick while he jerked it."

read somewhere that there's always one free-spirited pinup girl at those raucous Playboy Mansion parties who begins the affair's inevitable descent into sex-laden madness. How? By stripping off her clothes and jumping into the infamous Grotto, where onlookers can watch her undulating in the cool, refreshing waters. Before you know it, the swimming hole is alive with bouncy, nubile flesh that gets everyone in the mood....

Pool parties just seem to have that effect. Case in point: one of my recent reader letters from Janine, 20. Janine is one of those "looks shy, thinks dirty" kinds of girls. She's a natural beauty with dirty blonde hair, hazel eyes, a round and pert little rear-end and no time or interest in high-fashion or overt make-up. Not that she needs either of those things. She may be 20, but she looks like a high school senior. Maybe even junior. She makes it a point to stay out of the sun. "When I'm 40, I want to look 29," she jokes. We at 18eighteen are wholly supportive of such endeavors.

In fact, it was her aversion to tanning that contributed to the incident that spawned her letter. She sent it to me with a title, in fact, just like a paper for English class: "Naked Pool Party"

it read. Naturally, I was intrigued. What followed (and what you'll be reading shortly) was a run-of-the-mill barbecue gone sexily awry. More importantly, it fit right in with a horny collection I'd been saving for just such an occasion—a story about parties where people fuck.

No, I'm not talking about one of those 1970s "key parties" where the whole idea of the get-together was wife-swapping. I'm talking about the hot, spontaneous fuck parties that can only occur when everything falls into place just so, magic moments where the right combination of horny circumstances merge to create a living room floor rife with writhing naked bodies, a house (or pool, or yard) that comes alive with the pleasure moans and wet, thrusting, animal sounds of wild, uninhibited sex.

## Cum in: the Water's Fine

"I was in the kitchen," Janine wrote, "the place where people usually hang out at parties. And since this was a pool party—and I don't like to spend too much time in the sun—I was in and out of the kitchen all afternoon." Being 20 (not to mention keenly interested in staying healthy, fit and

young-looking), Janine doesn't drink. But that didn't mean some of the other, older party guests weren't getting a little buzzy around the pool.

"No one was crazy-drunk or anything," she noted. "It was all totally fine. But you know how some people can get with a couple in them. They get a little bolder. And as the sun went down, one particular guy decided it was time for the moon to come up, if you catch my drift. I was sitting on the kitchen counter, talking to this cute guy, when I saw him just whip off his trunks and cannonball off the diving board into the pool. Everyone was hooting and hollering and laughing. And when he came out of the water, his cock was still swinging pretty impressively! No wonder he wasn't ashamed to let it all hang out!"

As she watched, jaw in her lap with her new friend, Marcos, sitting on the countertop beside her, the pool party turned into a skinny-dip extravaganza. "Everyone was losing their suits and it was some show. I have to admit, seeing all the bodies—some with really nice tan lines accentuating breasts and butts of all sizes and shapes, and watching the men come to grips with the hard-ons they were getting from swimming around with naked girls—it just...got me extremely

horny. End of story."

By this time, she and Marcos had gotten a little friendly. She decided to ask him if he was feeling the same. "He was," she told me later, over the phone. "And to be honest, it wasn't really hard to miss the tent-pole rising in his board shorts. That was making me horny, too!"

As their discussion progressed, so, too, did the action out on back. "Before long, one couple was in the pool making out. Then another. Then a few guys gathered in the shallow end to watch two girls making out and feeling each other up. When two more pairs actually started doing it on the lounge chairs, in full view of EVERYONE, that was when it got too crazy, even for a good girl like me."

She looked at Marcos and asked him if he wanted to check out the view from upstairs.

They found a secluded bedroom ("I loved watching all the crazy public sex," she wrote me, "but DOING it in front of everyone was still a little out of my comfort zone.") and slowly undressed one another. He was in trunks, she in a small, striped string bikini. Seconds later, they were standing together: naked, horny, alone.

"Marcos laid me down on the small twin bed-I think it was a guest room-my feet were still touching the floor. He parted my thighs. He started to kiss my coochie, which was totally quivering from the excitement of doing something so naughty with someone I barely knew in a strange house. My legs were shaking and he laughed, pressing his hands against my thighs to keep me steady, asking if I was okay, his tongue cutting a wet swath through the soft, velvety folds of my pussy. Licking. Kissing. Telling me how I tasted. I started writhing and grinding against his mouth, getting my fingers wrapped in his soft, dark hair while he sucked and teased my clit-hard, then soft, then harder again. It wasn't too long before I was cumming and shouting about it! I was totally getting off on the way I could hear him sucking the juice right out of my little pussy."

When Janine finally let him up for air, he went to the bathroom to splash some water on his happy, sticky face. "Hey!" he said, "there's a Jacuzzi in here!" He ran the water.

"The bench in it was perfect for

straddling his fat, fat cock and riding him," she told me. "The water was hot and soothing on my pussy as I moved up and down. And the window behind him gave me this phenomenal view of the pool area, where I could see three or four couples-in the water, on lounge chairs, or just on towels in the nearby grass-licking and sucking and fucking one another. Before long, with Marcos' dick buried in my pussy, hitting all the right spots, and me rubbing on my little clit just a bit while I watched the action outside, I was squeezing him tight, cumming again and feeling him shoot his jizz deep inside me...."

At press time, Janine reported that she and Marcos were scheduled for another party get-together-this time at a different friend's pool. "I can't say I'm not wondering what's going to happen-so I'm getting a Brazilian wax for the occasion."

Hot Wax

Emma did not shave for her friend's

party. "For crying out loud," the 22-year-old chuckled to me over the phone, "it was a candle party! I didn't even want to buy any stupid candles. I was only going to support Evie in her new homespun business venture-and get a free glass of chardonnay on my way home from work. That's it."

And that's all it was...at first. Six young women, aged 22 to 26 and two unwitting men-one husband, one boyfriend who'd been roped into attending-getting together to gab and nosh and get a little tipsy and, ultimately, buy some candles from Evie's

burgeoning operation.

"Evelyn has this cozy living room," she told me. "And she'd played up the whole 'romantic, candlelight' idea by taking all the throw pillows and moving back the furniture and turning the place into something like the inside of an Arabian prince's tent. It was fabulous. We all kicked off our heels and took off our jackets and little sweaters and office wear, grabbed a glass of vino and just unwound."

As the women relaxed and the wine and casual atmosphere did its job, Evie began presenting her products. "The candles came in all sorts of shapes and sizes and really wonderful, earthy scents," she explained, her voice matching the essence of relaxation that had created the kind of atmosphere for something special to occur. "And the way she touched them with her pretty, soft hands was almost mesmerizing. Then she mentioned how they felt...."

At that point, Emma was sitting just in front of her friend on the floor; her body turned more toward the group. Evie chose to use her as an example, gently reaching out and moving the wide collar of her silk blouse away from her throat and erotically caress-

ing Emma's neck with the side of the shapely pillar candle.

"It was like satiny suede," Emma whispered, "and I felt my nipples tighten instantaneously beneath my top. I'm very small-breasted. I rarely wear bras and that evening I didn't even have a camisole on. I knew the

entire room of women, and the two men, could see my nipples like sexy, little beacons going off beneath the silk." She paused, lowering her voice even more. "What was worse was that I could feel my pussy begin to swell, to tingle, and I couldn't be sure if it was Evelyn or the pillows and the room or knowing that everyone watching was what was turning me on so. But I started to drip!"

Emma closed her eyes, embarrassed, but aroused. Unable to bring herself to stop Evelyn, but unable to tear herself away. "I could feel the room getting electric, the chatting had stopped, the energy-mostly female, very sexual-was powerful. I knew most of the people in the room. Evie knew them all. I decided that if she felt safe, I did, too. I went with it and just concentrated on her voice, her touch and the sensation of my clit swelling big-protruding from my lips as I know it does when I'm extremely aroused-and my silky panties getting wetter by the second.'

Evelyn, meanwhile, continued presenting the products, this time selecting two long, crème, vanilla-colored candles from her artful display on the coffee table. These were unmistakably phallic, but playful and rounded in places. They'd be safe. You could never insert one too far. They were far too small and thin to cause any damage. She handed one to the boyfriend in the back, who smiled and touched its "head" to his pretty dark-skinned girlfriend's lovely glossy lips. She kissed it sensually, playfully, and smiled back at him. The other went to an adorable, tiny, little girl sitting next to Emma. She was Asian with a sassycute short haircut. They'd met at one of Evie's barbecues over the summer.

Her name was Andrea.

Evie's voice sort of trailed into oblivion. The silence became deafening. Emma, still entranced by the way the candle felt against her collarbone, her neck, her cheek now felt another, its hard tip gently teasing her icy-hard nipples through the thin material of her blouse. Instinctively, she knew it was Andrea. Opening her eyes, she glanced sideways to see the small beauty rapt at the sight of her tiny, stiff protrusions. She reached out with her hand to pinch the other. Emma's clit convulsed.

She looked at the rest of the room and saw the boy-girl pair on the floor. His lovely lady's conservative pencil skirt had been hiked to the waist. Her

her hole. It was magnetically sexy to watch. Emma licked her lips. She fantasized about getting her face in there. Smelling the pussy. Tasting it. All the femininity was powerfully sexy. She was in the middle of her first girl-girl experience. And it was girl-girl-girl.

She felt out of her body as Andrea unbuttoned her blouse and Evelyn slid it off her shoulders, running her soft hands downward and covering her tiny breasts with her hands, kneading them, teasing, pinching, cupping. She adjusted her body slightly, allowing Andrea to push up her skirt as the other woman had done, spreading her legs as it cleared her hips and letting Evelyn lay her back on the soft pillows.

And then came the two tongues. Two mouths. Evelyn's on her hard nipples and Andrea's burying itself in the lush forest of her all-natural blondish-brown muff. Andrea seemed starving, eating her with excitement and relish and making her hornier and hornier, her hard clit growing larger as the girl lapped and sucked it. She reached up and lifted Evie's tank and allowed one of her soft breasts, swinging in front of her

legs were wide and bent at the knee as she leaned against the love seat. Her sexy black bush was split by the blinding pink of her slick, undulating pussy folds. She was gently fingering her candy-colored clit as her boyfriend slid the candle in and out of face, to be drawn into her mouth. She held them, kissed them, sucked them. It was so new and delicious, this feeling of being with girls-just girls. And she came, Andrea's hands sliding beneath her, squeezing her round,

meaty ass and pressing her full bushy pussy to her mouth, sucking the clit hard, pulling the orgasm right out of her. She moaned, muffled by Evelyn's luscious rack.

And then, the mouth was gone. She glanced down but Andrea was still busy, this time with the long tapered, sexy cock of the other man-her own husband. Again, her clit tingled, even just after cumming. The sight of that prick, proud and hard and veiny, sliding in and out of Andrea's mouth, the wet sounds as she slurped and tongued his shaft and balls-with Emma's own juices still evident on her face-made her ready for another go. And that was fine with Andrea, who seemed ready to insert it right into her willing, dripping snatch.

They propped her hips on pillows and he entered her while on his knees, aided by his loving wife who gazed up at him, gently flicking Emma's big, fat love button with her tongue. They liked watching each other. Emma, on the other hand, loved the arcing shape of this man's pole, which seemed ideally designed to hit her G-Spot. She shuddered and grunted and all of a sudden, Evie's pussy was on her face, lush and wet and nearly bare-shaven, its big lips splaying over her mouth, its candy-sweet juice dripping in, its clit being gently ground against her lips, teeth, tongue.

She and Evie, good friends for so long, came together. So did Andrea's unnamed husband, who withdrew at the last minute and disappeared (he was cumming in his wife's mouth). Emma and Evie cuddled together and watched as he turned lovingly to Andrea and sucked her small pussy, coaxing out an orgasm for the partner who'd so generously put everyone

else's pleasure first.

She turned to Evie and kissed her. The pair was already beginning to explore again, fingering one another. Evie grabbed the candle and raised an eyebrow. "I'll take it," joked Emma. "One now and a few for my apartment if you don't mind."

"There was no doubt I was going to have a shitty

time," Sascha wrote in her email. "I was a college junior stuck at my parents' friends' party. I mean, I knew they were nice people-even if I only knew one couple-but you know, it's just lame. They're old! But my folks were out of town and I promised my mom I'd make an appearance at the housewarming."

Longtime family friends had moved homes, opting for a new, sprawling ranch about 20 minutes away-a more secluded location further from the city center. "It seemed like the middle of nowhere to me, but it was really pretty. I figured they wanted the space so they could have horses," she scoffed when we met up for a coffee date. "Shows you how clueless I was!"

Sascha picked up some custom vanilla-strawberry cupcakes from their town's posh, little bakery for the occasion and was welcomed in not by the host, but another guest. "He was, I have to say at the outset, a total silver fox! He looked like one of those sexy, tough daddy types you see riding a Harley or grilling steaks in the Cialis commercials. Great smile, nice body and with this...I don't know, confidence, that guys my age (she is 19) just don't have. I had never dated anyone older than 23 before, honest. And I admit it. I was sort of disappointed when he introduced me to his wife in the kitchen."

Not only was the man, his name was Max, married, but his wife, Joanna, was a fox, as well. "She was probably 45 or 50 or something, but very sexy with a tight body. I only hope I look that good when I'm her age. Especially in tight jeans and a casual thermal top. She was so chill. And pretty. And like her mister, she totally owned it."

The host, they explained, was tied up with other guests but they'd be happy to hang with her. "The house was oddly empty. I saw one or two other couples hanging out in the living room but it seemed weird that no one was around. They asked if I wanted to see the outbuilding."

Outbuilding? she thought. "Again, I thought they meant barn."

They walked across the backyard to a beautiful, small building. "This is going to be the pool house, I think, when they finish the yard," Joanna said, opening the door and allowing

her in. "A sort of office/guesthouse." It was an office, the computer relegated to a handsome cabinet in one corner of the luxurious bedroom. And it was very luxurious.

"There was this massive king-sized with a canopy-just gorgeous and romantic," Sascha said. Joanna sat on the edge of the bed. Max stood between her knees. They kissed passionately. Sascha felt stirrings watching them both, so sexy and so at ease with their sexuality. They kissed deeper and she watched their tongues mingling, Max's hands roaming all over his wife's beautiful body. The kiss broke. Max stood straight, his wife's pretty head resting on his flat belly as he cradled her.

"They just turned and looked at me and I was...I don't know, almost compelled to join them. They were so calm and cool and sexy and loving and I could just feel their knowledge. I knew it was going to be this epic sexual learning experience. I went for it." She joined them and they began to undress her, caress her, and kiss her everywhere. "In the middle of that big bed, the two of them just catering to me and my pleasure was the hottest. Looking down and watching Joanna rubbing my mound, watching Max watching her, him looking at my pussy...mmmmm!

"Joanna rolled me over and massaged my ass, fingers teasing into my crack, touching my pussy, my bum, and before long I had it hoisted high in the air while Max tongued it, getting my hole good and ready for his cock. Joanna was underneath, eating my box slowly and sensually. It was nothing like the boys I'd been messing with. She knew her way around the neighborhood."

And when Sascha got close, Joanna reached around; replacing the thumb she'd been teasing her with her husband's hard and practiced prick. "She never let up with her mouth," Sascha remembered, "which is exactly what let him 'sneak' into my ass without any problem. Once he was in-it was on! I was grunting and screaming and cumming pretty much instantly."

Max, of course, hadn't cum, but he was still more than ready for action, as was his hot, sexy wife. "He slipped off the condom and Joanna took my place, bending over, taking him into her sweet, gingery cunny while I lay there, spent, coming down from my climax and fondling Max's sexy, silvery balls while he slid in and out of her, squeezing them, helping him get there. He pulled out in time and I took it all in my mouth, tasting Joanna's sweet trim and his creamy cum at the same time. Amazing."

She still thinks about them.

"Constantly," she said. "I masturbate to them almost every night, making myself cum over and over thinking about the whole experience and everything I learned."

"What was the most important thing?" I asked her, curious.

She laughed. "Date older men," she said. "That's my new motto."

### EATING NIKKI DELICIOUS

Continued from page 42

Good, thought Nikki. It would make it impossible for somebody who actually needed the space to complain. She and Dean definitely needed it–possibly more than anyone else in the restaurant.

Her blouse buttons popped open rapid fire, plink-plink-plink. Dean's hands were up under her bra cups, kneading her rubbery nipples until they turned into chips of pink marble.

"Suck them, Dean," she pleaded. "Lick my titties!"

He hung the discarded blouse on the peg and slung her bra over the sinktop. His mouth met her buds and his tongue flicked out, moistening her swollen caps. She gasped when he began suckling them in earnest, a surge of wetness soaking into her bloomers. She arched her back to send her nipples deeper into his mouth.

Nikki dug her fingers into his scalp. He nibbled and licked until she thought that would be enough to make her cum. She was disappointed when he stopped working her boobies over-but only for a moment.

Her skirt was around her ankles, Dean's thick fingers peeling her out of her undies.

"Dean!" she hissed, suddenly naked save for her sandals-one of them still noticeably sticky.

"Here," he said softly, brushing his lips over hers and teasing her with the tip of his tongue. "Hold these. You have room?"

Nikki looked, but before she could grasp his middle and index fingers, he was working them into her, down there, between her legs. Prying apart her folds and, and—

"Ohhhh..." she said, struggling to keep her voice to a low whimper. Dean's thumb found her clit, and suddenly, her cunt was in overdrive, reacting to his frenetic fingerfucking.

"Y-you're getting me so hot!" Nikki told him, gyrating against the force of his strong hand. She brought one foot up, and leaned her hip into the low-countered vanity. Dean moved in, forcing her leg up higher, spreading her pussy lips wide.

Feminine juice bubbled out of her, streaming down her thighs. Dean's Continued on page 78

### Forgive us, Rilee. But we have to ask. Are your boobs real?

"It's okay. I swear every girl that I've hooked up with has asked me that, and most people who have seen me in a bathing suit have asked me that. But I swear I'm all natural! I was just blessed enough to have really amazing boobs. I didn't even realize they were anything special until girls in the lockerroom started gawking at me and asking me if they could touch them."

# Do people ever not believe you when you tell them that your boobs are real?

"Yeah, some of them don't. But if they're lucky enough to touch my boobs then they realize that they're real. When you squeeze them you can obviously tell they're real. I mean, I know there are girls out there who are as young as me that get implants, but I'm not the kind of girl to do that. I hardly even wear makeup, I'm still a virgin and I still have my braces. I'm a simple girl who just happens to have really round, perky boobs. I also get a lot of comments on my pussy. Girls have told me that it's pretty and tastes good."

#### Do you only fuck guys who you go to school with?

"No way! I mean, don't get me wrong. I've fucked a lot of guys that I go to school with! But I don't limit myself to just my school. In fact, just the other day I had a fun encounter with a random guy. I was at a barbecue at a park with some friends, and I noticed a hot guy a few tables over. We started talking and we ended up fucking in the playground once the sun started to go down. We did it on the slide and everything. That was the best barbecue ever because I had one huge, delicious sausage!"

fingers made a squitch-squitch sound as they probed her pink, while his thumb diddled her button to the point she could hold back no longer.

"N-n-now!" Nikki purred, bucking and thrashing, pinned between his hips and the sink, cumming into his palm like she hadn't cum in weeks.

"I think this has breathed long enough," commented Dean, sniffing his slimy fingers. "It's time for me to take a taste."

His lips met hers, only there was no tongue to respond on her part. Dean began swabbing out her crease with long, gentle strokes, slowly moving closer to her glistening clitty.

"You're driving me crazy!" she exclaimed, her voice dying out just as the bathroom door opened. Nikki froze, holding her breath and trying to close her thighs. But Dean wouldn't have it, continuing to lap away at her snatch, oblivious to somebody stepping into the next stall.

Nikki was trembling, on the verge of another orgasm. She wasn't sure she could hold out. Dean began massaging her outer curtains with his thumbs, teasing her vulva, pressing his fingers into her seeping opening. He sucked hard on her clit, and she involuntarily let out a mew.

The sound of a sink. Then the air hand-dryer. Finally, the door opened.

Leave! Nikki implored silently. Leave before I cream all over my date's face!

There was a pause. Nikki felt her twat starting to convulse.

Go! she begged. Go! Go! Go!

She sucked in a lungful of air. The bathroom door closed.

Nikki gushed. Girl-cum flowed out of her and into his mouth. He hungrily guzzled down her drippage. When he finally let up, Nikki was spent.

"We didn't even get into the parking lot!" she grinned. She expected Dean to smile back. But he didn't. He started unzipping his pants.

Nikki's eyes bulged. Dean was hard again, and in person, his cock looked like his web-cam had been on the far-away setting. He was huge!

Dean kissed her. She tasted her own climax on his tongue, reveling in the

#### Welcome back, Zoey. Tell us, what satisfies you the most sexually?

"Lots of clit action. I have a big one that sticks out, and it feels really good when I play with it or when someone else plays with it. But they have to know how to do it right. Like, they can't do it too hard and they can't do it too soft. It has to be somewhere in the middle. When I'm having sex with a guy I'll usually play with my clit, and that makes me cum so hard. And when someone eats me out, it's the best when they're sucking on my clit and fingering me at the same time. I always need clit stimulation."

my for my birthday and I swear it's the best gift I've ever gotten. Especially since I masturbate all the time. I do it every morning for some reason."

# Do you also like to have your asshole played with?

"I like it, but I'm the only one who's allowed to touch it right now. I've only recently started fingering it and sticking toys up there, and I'm just not comfortable having a guy do it yet. I'm sure with time I'll relax enough to let a guy play with it, and I'm almost positive I'll try anal. But for now it's off-access to everyone else. Sorry guys!"

sweetness of it.

Fuck him. That's what she'd wanted to do ever since their first cybersession. Take that gorgeous cock of his and ride it until she emptied his heavy balls of all their cum. She was at her favorite restaurant, the Saddleback. What better place to ride a guy hung like a horse?

Nikki left her sandals on, but turned away from him, bending over the vanity and standing on her tiptoes. She knew it turned him on, seeing her tootsies heels-up and the arch of her soles fading off into the shoe. He'd obviously enjoyed the footjob, the first one she'd ever given. She had no idea if she was good at it, but suspected she might get another chance to practice...soon.

"You going to put it in me?" Nikki demanded. "Or did you just follow me in here to tease me?"

"I didn't know getting you off three times was just a tease," he countered, the head of his cock poised against the tight ring of her snatch.

"Three? I only came tw-"

He was in her. Nikki's vision swam. She clutched the vanity, ready to vomit into the sink. She suddenly remembered what it had felt like between her legs after the first time she'd attended spin class. How every muscle in her thighs-and those between them-were sore and tender and felt like they'd been ripped apart.

Dean's cock stretched her to the point she thought he would tear her in two. Her breath wouldn't come. It felt for a moment as if she was hyperventilating. She thought she could hear herself breathing, but wetly, like she had a cold.

Then she figured it out. No, that wasn't her breath, it was the sound of Dean's balls slapping against her dewy love cave.

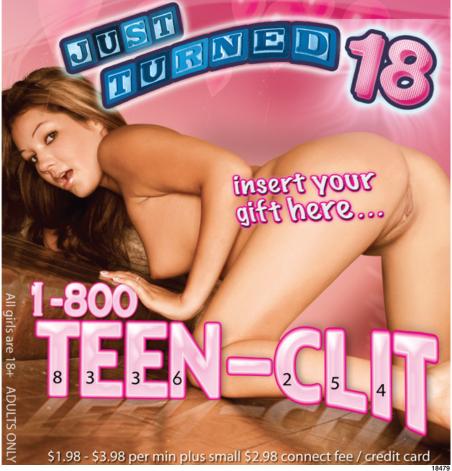

But she was definitely still breathing, and soon, she was enjoying it,

feeling his girth plowing into her, the knob of his cockhead bottoming out in the depths of her fuckhole.

His strokes were slow, deliberate. Nikki got into a rough rhythm with him. Her small breasts rubbed against the counter, making her nipples burn.

"Oh fuck it's good!" she said, no longer worried about keeping her voice down. She didn't care about anything any more but Dean and his dick and the way he was using it to turn her inside out.

She turned the cold water on, wet her

good stuff, filling her throat with nut nectar. Slurp, slurp, slurp, Nikki continued, feeling like she was in heaven.

Drained, Dean stepped back, surveying the stall.

"Why would people use these for anything else?" he wondered aloud.

Nikki began to giggle.

"m sure you'll love the school," Dean said in the car as they left the Saddleback. "We've got-"

"That's it!" Nikki shouted abruptly, staring at him. "Now I remem-

hand and

passed it over her face. Any second now, she was going to hit that earlier-promised third orgasm. She eyed him over her shoulder.

"You're gonna love how this feels," she promised.

Grasping the edge of the vanity, she lifted her ass even higher, and shoved herself back into him, her cunt muscles locking down, fighting to squeeze the jizz out of him and into her slit.

Dean, buried balls-deep, held on. There are few forces in nature more powerful than a teenage girl maxing out her orgasm quotient at the end of a sizeable lover's cock. Nikki was no exception. Had the Saddleback been an older restaurant, she might have wrenched the sink from the wall. As it was, she felt certain she'd shaken some of the pipes loose.

"Would you be interested in an after dinner drink?" Dean asked, slowing his tempo. "A...creme de manth, perhaps?"

Nikki was all for it. She eased off his pole and dropped to her knees, grasping his thick shaft and guiding his tip into her mouth. She began stroking him, feeling the tightness of his balls. She opened her eyes, and looked up at him, her mouth crammed full of dick.

"I'll take a double, please," she said. Dean jizzed in her mouth, so hard and so fast she was swallowing his load before she'd even realized he was cumming. Even though he'd blown his wad not twenty minutes ago, he had a decent reservoir of the

ber! You—you're the dean at cooking school! That's where I saw you, in the orientation guide!"

"I had a beard in that picture," he said, grinning. "But you still have a good eye. Thanks for noticing."

But...your name's Dean, too?"

He shrugged. "Yeah, people get a kick out of that," he confessed.

"Will we, uh, be able to see each other?" she asked nervously. "Once school starts, I mean?"

Dean looked at her, startled.

"Are you kidding? I live off campus. I can see anyone I want. Don't even worry about it. It's not a big deal, at all. Besides..."

"Besides?"

"I have one hell of a kitchen. And the pantry? There's a whole lot more than mint oil to play with."

Nikki reached between his legs and gave his package a squeeze. It responded by getting chubby.

"Guess I won't be going home every weekend after all," she said, starting to work her panties down.

"Pull over," she said, rubbing his erection harder.

"Pull over? Where?"

"In the woods," Nikki said, pointing. "Anywhere...dark."

She lifted up her skirt. Her pussy was practically glowing in the dash light. Moisture had already begun to seep from her slit.

"Going to be a great semester," Dean stated, his car bumping onto a rural route. By the time he killed the engine, Nikki was already naked. 13

#### Hey, Jessica! You look pretty limber. Are you as flexible as you look?

"I'm a little flexible. I used to be way more limber but I've lost some it, and I'm trying to get it back. One of the best ways to improve your flexibility is to have a partner help you stretch. This guy was helping me spread my legs to improve my split, and having him so close to my pussy got me turned on. I was afraid he'd smell my pussy, but I also kind of wanted him to."
